Professional Experience

iParametrics

Results-driven executive leader with a diverse background in government, for-profit consulting, and the non-profit sector. Adept at building teams and tackling complex problems in high-stress situations.

Provided project management for the Unified Government of Wyandotte County's American Rescue Plan Act funding, in addition to managing and writing multiple federal and state grant applications on behalf of the Unified Government.

- **New Jersey Central East Healthcare Coalition 5-Year Strategy, New Jersey.** Program Manager for the development of a 5-year strategy which was adopted by all regional healthcare facilities.

Jeff Stevens serves as iParametrics' Executive Vice President. In this role, he works closely with clients to improve their resilience and enhance their recovery efforts, Jeff is hands-on leader known for his dogged advocacy on behalf of the communities we serve. He constantly identifies opportunities to ensure that clients are leveraging all possible avenues to enhance their preparedness or build back better after a disaster. Jeff has experience in higher education from his time at New York University and also in healthcare leadership from his time serving on the H1N1 pandemic team in Rhode Island. Jeff is a Certified Emergency Manager and FEMA Master Exercise Practitioner. He holds numerous Incident Management Team certifications and is also a volunteer firefighter.

iParametrics, Executive Vice President (2018 – Present)

- **Weld Hazard Mitigation Plan, Weld, Colorado.** Led the team that reviewed and updated the County's Hazard Mitigation Plan. iParametrics developed a suitability model on Esri ArcGIS Pro to identify areas of highest risk to Weld County. The model transformed the hazard-specific layers to a common hazard scale and weighted the hazard types relative to one another.
- **COVID-19 Pandemic Response, City of Lowell, Massachusetts.** Leads a team of disaster response specialists to assist the City with COVID-19 recovery, including applying for CARES Act funding reimbursements and planning for vaccine distribution.
- **Hurricane Michael Recovery, Town of Sneads, Florida.** Project Manager. Responsible for leading reviews of the Town's critical infrastructure, coordinating FEMA Public Assistance Grant responsibilities, and identifying CDBG-DR and EDA funding.
- **Metro Oregon Emergency Management, Portland, Oregon.** Leads a team that is providing emergency management services for the agency.
- **Crisis Management Plan and COVID-19 Pandemic Response, Mecklenburg County, North Carolina.** Leads a team assisting Mecklenburg County with documenting and applying for FEMA reimbursements related to the COVID-19 pandemic. Previously, Jeff and his team created a Crisis Management Plan for the County and provided training to almost 6,000 employees, both online and in person.
- **COVID-19 Pandemic Response, City of Providence, Rhode Island.** Leads a team providing comprehensive grant management and cost recovery services.
- **Unified Government of Kansas City, Wyandotte County, Kansas.**
